Chidiebere Chukwudi

Junior Web Developer

PERSONAL SUMMARY

Chidiebere is a web developer looking to work with companies where outstanding performance is recognized and rewarded plus where he can work on a variety of high profile projects. He has proven himself by successfully completing hotels.ng remote internship and also participated in Andela growwithgoogle scholarships.

Experience: 3+ years experience in web development.

Skills: Php/Laravel, js, HTML5, CSS3 & Bootstrap 4

CAREER HISTORY

- I participated in Andela growwithgoogle scholarship –ALC 3.0 and ALC 4.0
- Successfully completed (HNGi6) remote internship as a Full-stack web Developer (Sept —Nov, 2019).
- I have done freelancing as a web developer

ACHIEVEMENTS

- Participated in Google's reskilling Africa Program on Pluralsight and was verified proficient in Javascript. [Certificate Link](#)
- Successfully completed (HNGi6) remote internship as a Full-stack web Developer. [Link to my certificate.](#)

Major projects

- I was part of the [team](#) of developers that built a document formatting app, [docufix.com.ng](#). This was part of the project we built during the [hotels.ng](#) internship
- I built a [personal website](#) using HTML5, CSS3 and BOOTSTRAP4.
- I built a couple of laravel projects; files are on my [github](#) repo

Other Projects

- I wrote the backend php script for the feature that sends newsletter to gmail users on this [landing page](#)
- Here is a minimal [google like search suggestion](#) I built that with jquery AJAX and JSON
- I have a [developer dashboard](#) that is still under construction which I am developing with HTML5 and BOOSTRAP4.
- I also have a custom [WordPress theme](#) that I was building which is under construction.
